£50,000 cheque for Little Paxton's bell restoration

Little Paxton Church has received a cheque for £50,000 from the *The People's Millions* to fund restoration of their church bells.

for the Little Paxton Bell Appeal. This will mean work on our bells and clock can start very early in 2011."

The bells in St James' Church, Little Paxton date back to the 18th century and have not been rung regularly for about 100 years. The church applied to the *The People's Millions*, a grants programme run by the Big Lottery Fund, in partnership with ITV.

Their project reached the regional final where the result was decided by viewers' votes. The Revd Annette Reed, Vicar of Little Paxton, and parishioners received the £50,000 cheque the day after winning the TV vote.

The clock face was restored as the Village Millennium Project and it is fitting that the movement is now restored.

Peter Hagger, Treasurer of Little Paxton, said "A very big thank you to everybody who voted
