## St Mary's The Parish Church of Buckden Newsletter, April 2012

Dear Friends

When Jesus rose from the dead, nobody witnessed it directly, and each of the disciples heard about it in their own way: Mary saw Jesus herself in the garden; the women ran and told Peter and the other disciples; they themselves saw the empty tomb, and then saw Jesus himself when he came to them in the upper room; the two disciples on the road to Emmaus recognised the truth when Jesus broke bread with them; Thomas couldn't bring himself to believe until he too had seen Jesus with his own eyes.

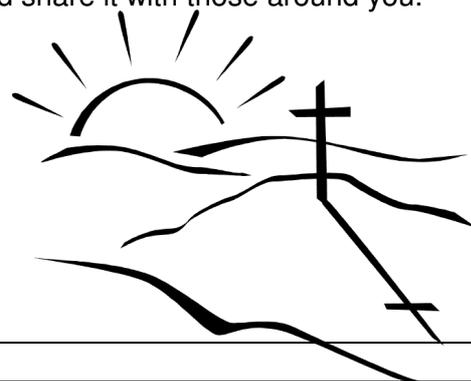

It can sometimes seem like a miracle that the story of Jesus' death and resurrection spread from this handful of ordinary people to encompass the whole world. The desire to communicate the gospel, the good news, must have been immense.

Today, we are still faced with the challenge of how to speak the gospel to a very different world. What will people find it hard to believe? What signs can we point to that demonstrate the work of the risen Christ? What have we ourselves experienced that makes us want to share it with others?

The Easter story asks all those things of us. As you travel the way of the cross with Christ this Holy Week, keep walking with him, with his disciples and with the early church after Easter, too, so that you may catch from them something of the courage, the enthusiasm, the passion and the love that the first Easter brought to the world, and share it with those around you.

Yours in Christ

*Ally*

## Communications Review

The PCC is keen to gather a small group of people who would be willing to undertake a review of the way that St Mary's communicates (within church, between the PCC and congregation, and outside the church to the wider world). If you would like to be part of such a group, please speak to Ally as soon as possible. There have already been some great ideas about how we might communicate better, and it would be really good to add to these, and to approach the issue thoroughly and carefully, and ideally with input from a variety of age-groups to make sure we have thought of as near everything as possible!

## Hymn Books

The new orange hymn books have been in use at the 10.30am service for a few months now. They were chosen to enable us to sing a full range of hymns and songs without having to juggle two books, and to add some new hymns and songs to our repertoire. We are still using the red books at the smaller services, with the 'dedicated' books (those bought in memory of loved ones) being out on the hymn book trolley so that they are the ones we use.
